GET YOUR FORGOTTEN BIKE OUT THIS AUTUMN. WE'LL HELP YOU FIX IT OR YOU CAN DONATE!

OCTOBER HALF-TERM 25TH-29TH

SHOW YOUR BIKE *some love!*

If you've got a long-forgotten bike hidden away in your shed or garage, maybe it's a bit poorly and needs some looking after, a quick fix or simply been grown out of then come along to an event near you and find out how to:

- Carry out basic repairs e.g. fix a puncture
- How to cycle safely on and off road
- Donate your old bikes
- Buy a new or recycled bike
- Get advice about local cycle routes, clubs or activities
- Join in on a bike ride
- Find out about local cycle training

YOUR LOCAL EVENT IS:

The Big Bike Revival – Leeds

- 25 October at 10:00–18:00
- Pedallers' Arms Community Bike Workshop,
Mabgate Green LS9 7DS

There'll be a celebration of cycles in the city centre – get that unloved bike out of the shed, bring it down to donate or to fix up, join in fun, games, and creativity in the name of cycling.
